Opportunity to transform Madhya Pradesh into the Skill Capital of India

Inviting applications for the position of Senior Director (COSA-1)

Global Skills Park, a flagship initiative of Department of Technical Education, Skills Development & Employment, GoMP, with financial assistance of Asian Development Bank and technical support of ITEES Singapore is looking for experienced, dynamic, talented and skilled leader for the position of Senior Director COSA-1 at Bhopal, Madhya Pradesh.

Global Skills Park, the first multi-skills park in India, has introduced technology-oriented skill courses and impart advanced job-ready skills training of international standards. Global Skills Park consists of core advanced training institutes - Center for Occupational Skills Acquisition (COSA) and TVET support services such as entrepreneurship development, training of trainers and skill-related research.

Senior Director (COSA-1)

Role: The Senior Director, Center for Occupational Skills Acquisition -1 (COSA-1), which is the core center of Global Skills Park (GSP) to impart advanced training, will have the overall strategic and operational responsibility for the development and delivery of advanced levels of skills training courses at COSA-1 and Centre of Advanced Agricultural Training (CAAT) that meet global standards and ensure trainees acquire industry-ready skills. The Senior Director will be responsible for institutionalizing the strategic, academic/technical and operational framework developed in collaboration with the ITE' Education Services (ITEES), Singapore, to establish and uphold the international standards of GSP training in course content, quality of trainers and management staff, and assessment and certification procedures.

Qualification, Experience & Essential Knowledge

- Minimum 20 years of total work experience, with substantive experience at a leadership level in large skills-related education or advanced vocational training institutes, with proven records in managing various technical programs, and a good understanding of them, including curriculum design, pedagogy and assessments.
- Industry experience will be given an advantage.
- The incumbent must be an Engineering graduate with Post-Graduate in Engineering or Management from a recognized university.
- Excellent command in written and spoken English and Hindi is a must.
