

Sr.no	Technicians -27	
1	Technician Automotive	<p>Education & Qualification</p> <ul style="list-style-type: none"> ITI certificate in MMV/DM trades, preferably Diploma in Mechanical/Automobile Engineering <p>Work Experience</p> <ul style="list-style-type: none"> Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery. <p>Responsibilities</p> <ul style="list-style-type: none"> Responsible for the management and maintenance of the laboratories/workshops for Automotive Technology
2	Technician-FCT-Mechanical & Electrical Services	<p>Education & Qualification</p> <ul style="list-style-type: none"> ITI certificate in Electrician/Fitter/Machinist trade, preferably having Diploma in Mechanical/Electrical engineering <p>Work Experience</p> <ul style="list-style-type: none"> Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery. <p>Responsibilities</p> <ul style="list-style-type: none"> Responsible for the management and maintenance of the laboratories/workshops for FT-MES Course modules
3	Technician-FCT-Air-Conditioning & Refrigeration	<p>Education & Qualification</p> <ul style="list-style-type: none"> ITI certificate in RAC preferably diploma in Mechanical engineering and advance certificate in RAC <p>Work Experience</p> <ul style="list-style-type: none"> Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery. <p>Responsibilities</p> <ul style="list-style-type: none"> Responsible for the management and maintenance of the laboratories/workshops for FT-RAC Course modules
4	Technician-Mechanical Technology	<p>Education & Qualification</p> <ul style="list-style-type: none"> ITI certificate in Fitter/Machinist/Welder trade, preferably having Diploma in Mechanical engineering <p>Work Experience</p> <ul style="list-style-type: none"> Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery. <p>Responsibilities</p> <ul style="list-style-type: none"> Responsible for the management and maintenance of the laboratories/workshops for Mechanical Technology
5	Technician-Mechatronics	<p>Education & Qualification</p> <ul style="list-style-type: none"> ITI certificate in Instrument Mechanic/Electronic Mechanic, preferably Diploma in Electrical/Electronics/Mechanical Engineering. <p>Work Experience</p> <ul style="list-style-type: none"> Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery. <p>Responsibilities</p> <ul style="list-style-type: none"> Responsible for the management and maintenance of the laboratories/workshops for Mechatronics Technology

6	Technician-Electrical Technology	<p>Education & Qualification</p> <ul style="list-style-type: none"> ITI certificate in electrician trade, preferably having Diploma in Electrical engineering <p>Work Experience</p> <ul style="list-style-type: none"> Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery. <p>Responsibilities</p> <ul style="list-style-type: none"> Responsible for the management and maintenance of the laboratories/workshops for Electrical Technology
7	Technician-Network and Systems	<p>Education & Qualification</p> <ul style="list-style-type: none"> ITI certificate in CNHM trade, preferably having Diploma in Computer/IT engineering or equivalent <p>Work Experience</p> <ul style="list-style-type: none"> Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery. <p>Responsibilities</p> <ul style="list-style-type: none"> Responsible for the management and maintenance of the laboratories/workshops for Network and System Technology course modules
8	Technician-Electronics	<p>Education & Qualification</p> <ul style="list-style-type: none"> ITI certificate in Instrument Mechanic/Electronic Mechanic, preferably Diploma in Electrical/Electronics/Computer/IT Engineering <p>Work Experience</p> <ul style="list-style-type: none"> Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery. <p>Responsibilities</p> <ul style="list-style-type: none"> Responsible for the management and maintenance of the laboratories/workshops for Electronics and info COMM Technology
9	Technician-Precision Engineering	<p>Education & Qualification</p> <ul style="list-style-type: none"> ITI certificate in Fitter/Machinist/Turner trade, preferably having Diploma in Mechanical engineering <p>Work Experience</p> <ul style="list-style-type: none"> Minimum 3 years of relevant work experience as lab technician in skills training or engineering institution and/or industry shop floor work experience in maintenance and operations of equipment/machinery. <p>Responsibilities</p> <ul style="list-style-type: none"> Responsible for the management and maintenance of the laboratories/workshops for Automotive Technology
